Who is Dr. Fumi, PsychDNP?

It is during our darkest moments that we must focus to see the light.

Aristotle Onassis

Popularly known as a LifeRehab™ Ambassador and **Your Compassionate Trauma Care Maestro™**, Dr. Fumi Hancock is an African Princess living in Diaspora. She is a Psychiatric Dr. of Nurse Practice, Mental Health & Wellness advocate, **Johnson & Johnson Nurse Innovation Fellow**, Award-winning Online TV Host, Podcaster and a Publishing Entrepreneur. She has written 24 inspirational books with 14 becoming Amazon Bestsellers. Her latest collaboration, FEARLESS VISIONARIES: Tear the Veil hit the #1 Amazon bestselling list and was recorded as #1 Hot New Release. This book has taken her all over the world alongside her co-authors: London, UK, UAE, Dubai, United Nations, NY, France and other parts of USA. To date, one of her books was turned into an award winning movie. In addition, she recently directed her first documentary.

Dr. Fumi is a national board certified Advanced Nurse Practitioner with over 30 years combined experience in Social Work and Nursing. As "Your Compassionate Trauma Care Maestro™," she keeps abreast of latest findings on mental illness. She believes that the greatest wealth of all is a healthy mindset. As such at her clinic, POB Psychiatry, she encourages her patients to use the power of storytelling on their healing journey from trauma to personal transformation. Said transformation ultimately brings about social reformation.. She is married with two adult sons and two step-daughters.

A healthy mind is worth millions! Likewise, when communities are healthy, wealth and abundance follow.

Dr. Fumi's Work!

Dr. Fumi, a Psychiatric Mental Health Dr. of Nurse Practice, an African Princess living in Diaspora, is a Johnson & Johnson Nurse Innovation Fellow, Your Compassionate Trauma Care Maestro™ and an International Child Rights advocate. She is an avid member of several organizations such as International Society of Psychiatric-Mental Health Nurses, Sigma Theta Tau Int'l. She is the Creator of Fearless Visionaries, a movement which provides a platform for women whose voices have been silenced far too long due to abuse. Dr. Fumi is the host of a podcast, Tear the Veil and host of an award winning online TV series. The Adassa Project under her brand, the Princess of Suburbia(R) Foundation provides quality education and healthcare to children and women, in impoverished countries. She was also nominated by former TN Governor (Gov. Bill Haslam) as TN Goodwill Ambassador. Some of her print, radio and television appearances include WMC-CH 5, MEMPHIS TN, CBN-Turning Point, FaithTV, Tennessean, Huffington Post, International outlets such as NTAi, the #1 TV Network in Africa, Guardian etc. Dr. Fumi Hancock is known for her mastery of the art of storytelling. With storytelling, she has spoken in front of political heads, been to Hollywood, won credible awards, and just recently, visited London, Dubai, UAE, Saudi Arabia, Canada as well as several USA states.

SPEAKER

More importantly, her story of resiliency is relatable in that she encourages even the shy ones to begin to harvest their life stories to impact their communities and the global community at large. Dr. Fumi inspires her audience and dares them to go from trauma to recovery.

Her audience span from universities, corporate, industry conferences, government organizations, international political parties, and corporations. Most recent engagement include her book launch at the United Nations in New York, Capitol Hill, Washington D.C, official launch of Indiefest Film Award at the University of East London, UK, Saudi Arabia, Dubai UAE, and France.
